DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of claims 14-27 in the reply filed on 4/19/06 is acknowledged. The traversal is on the ground(s) that the independent claims are not distinctly different and would not be a burdensome search on the examiner. This is not found persuasive because each identified species claim specific and different steps that focused on particular functions for generating HRTFs.

The requirement is still deemed proper and is therefore made FINAL.

2. This application is in condition for allowance except for the presence of claims 1, 4, 6-9, 11-13, 28-38 directed to an invention non-elected with traverse in the reply filed on 4/19/06. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.
